## The Soap Box (10/28/02)

---

One heck of a World Series. I was kind of pulling for the Giants, but bottom line, those are two baseball teams who play the game the right way. I've dogged baseball all year, but good for the Angels.

I was watching the Buccaneers and Eagles play the other day and it struck me . . . it's basically the NFL equivalent of a Heat/Knicks game.

When you play cards with your buddies what's the over/under on Rounders quotes?

When you go to Vegas with your buddies what's the over/under on Swingers quotes?

A big Soap Box shout out to Emmitt Smith for breaking Sweetness' record. Who had Chad Hutchinson in the pool of QB's who would hand off to 22 on his record breaking carry?

Damn, the same prick who had the Angels to win the series.

Terrell Owens taking a Sharpie out of his sock and signs a touchdown ball . . . catches a bunch of flak for it . . . to me, it was the funniest, most creative thing I've seen in a long time ...

. . . well until I saw Jackass: The Movie.

What ever happened to Mase?

Black guy in a white jersey update: Larry Hughes in the new Nelly video sporting a classic Pete Rose Reds jersey.

Shouldn't Larry Hughes spend his off time working on his J, rather than making video appearances?

"Sorry Michael, why does my jumper suck ass so bad, well Nelly called and . . ."

What the fuck happened to Coolio? Or as my friend Mark would call him: UnCoolio. His career is starting to make Tone Loc's career look like a success.

My friend Latrell called and he's having a party on his yacht . . . ummm, nevermind.

Is there anyone more fun to watch than Brett Favre? You get the feeling that guy would be slingin' those passes to his buddies every Sunday if he wasn't doing it for pay.

Underrated Movie: Proof Of Life.

Overrated Movie: Get Shorty.

I heard they are planning a remake of The Warriors. If Ben Affleck has anything to do with it, you'll be seeing me on the 10 o'clock news.

Jerry Rice. I don't have anything to say about him. But damn, that guy is still bringing it at 40.

What's with the water in the Bay Area, Bonds and Rice? They just keep doing it.

Another terrible guilty pleasure film of mine: Fame.

Cuz, I DO want to live forever . . .

Nothing has made me happier in a long time, than the site of Doug Christie pummeling Rick Fox in the tunnel at Staples Center. Especially after Fox thought it would be a good idea to run around the tunnel and go after Christie again.

Nothing has made me that happy since . . .

. . . well, since I saw Jackass: The Movie.

Nothing makes me happier than when 'Furio' shows up at a guys door, that you don't like, in The Sopranos.

Well nothing makes me happier except . . .

. . . well, you know.

Gwen Stefani married. Damn, now who should I stalk?

Until next time.
